INAE Technology Conclave 2026

July 11-12, 2026 |

Siksha 'O' Anusandhan University, Bhubaneswar

The INAE Technology Conclave 2026 will be a forum for engineering researchers, faculty and professionals to engage in technical discourse and knowledge exchange. The conclave will have discourses on focal theme, contributory paper presentations, industry and start-up exposition. This year the focal theme will be Energy Security, Transportation and Logistics, Health Care Technology and Reduction and Diversification in Energy Intensive Industries.

Call for Extended Abstracts:

It is our immense pleasure to invite researchers, academicians and industry professionals to submit extended abstracts of original research/development work for possible presentation in the conclave. Contributions are invited in all areas of engineering and associated areas of *Civil, Computer Science and IT, Mechanical, Chemical, Electrical, Electronics and Communication, Aerospace, Mining, Metallurgical and Materials; Energy; Interdisciplinary and Special Engineering Fields*. All submissions should demonstrate originality, relevance, and strong practical or theoretical significance. These submissions will be reviewed and screened for possible presentation in the Conclave. Selected papers presented in the conclave will be considered for publication in Transactions of INAE by Springer- An International Journal of Engineering and Technology.

Extended Abstract Submission:

Authors are invited to submit novel research finding in the all areas of engineering.

For reserving a seat at the conclave, applicants need to deposit a refundable amount of Rs. 500/-. This amount shall be refunded on completion of the conclave.

EXTENDED ABSTRACT SUBMISSION GUIDELINES

Submissions that satisfy the conclave's standards of quality and innovation will be considered for acceptance only.

- Researchers may submit extended abstracts up to 4 pages.
- Authors must choose one primary track-either research or industry-while selecting a main topic for their paper. They may also indicate additional secondary topics if applicable.
- There is no fixed cap on the number of papers accepted under any individual topic.
- Authors of Selected papers will have opportunity to present their work during the respective sessions of the INAE Technology Conclave 2026 scheduled at SOA University Bhubaneswar on 11-12 July, 2026.
- All accepted papers selected for presentation will be included in the official conclave proceedings.

The selected papers will be considered for publication in the Transactions of INAE, an International Journal of Science and Technology.
